# Employment Update From Wiltshire's Supported Employment Service

# Individual's Getting Jobs

- During 2006-2007 Wiltshire Employment Support Team:
  - Worked on average with a caseload of 95 people per month
  - Supported people to remain in work or to change their jobs
  - Assisted 16 people to get paid work
    - Hours worked ranged from 26 to 2 per week
    - Pay rates ranged from £7.00 to £5.35 per hour
  - Explored work with individual's who attend day services
  - Worked with individual's parents and carers to overcome barriers
  - Worked with employers to ensure their needs were met
  - Are building capacity and have recruited 5 new job coaches to work across Wiltshire

# Capacity Building

- Contracts to provide advice and support to individuals with disabilities, parents and carers across Wiltshire
- Contract to assist statutory authorities to employ more disabled people
- Looked what we have done so far through a review and using it to plan services and resources effectively

# Next steps

Attract more disabled people to work at  
County Council

- Aiming for real jobs for fulfilling lives
- Raise expectations that people can and should work
